

Udsnit fra brev til HF

Dear host family,

My name is Elizabeth I live with my dad, mum and my two younger brothers Harrison and Alexander. When I was younger we used to live in a small rural town though we now live on a farm, whilst I cherished our old house I love living on the farm as it has lots of open space. Ever since I was little I lived to discover new things and loved to climb trees. I also had a passion for going on new adventures and finding out all sorts of things I didn't previously know.

My family has always been very close and we tell each other everything. We also enjoy playing and watching sport together. Our weekends are often spent at sport with mum and I travelling in one direction and the boys in another. Though we always find time to do some family bonding weather it be playing a board game, some cricket in the backyard or a game of footy and camping on holidays.

My friends and I are also a close-nit group, some of these girls are also in my netball team or I have previously played sport with, though others are people I've got to know and have grown a great liking too.

Some of my hobbies include playing sport in particular swimming, league tag and netball. Doing art is also another hobby of mine though I'm not very good at it I enjoy it and it can help express my emotions, I find that music is also a good way to do this and I enjoy listening to it on a daily basis, another more quite one of my hobbies is reading I find that it can take me into another completely different world to explore.

I would love to go on exchange as it would be a new experience full of new adventures. I believe that it would enrich my understanding of different cultures and the diversity in our world. I also believe than going on exchange is a once in a lifetime experience to broaden your horizons and create many life lasting memories of an amazing adventure I hope to get the privilege of going on.

Whilst I'm on exchange I would be willing to try many new things and go through many new experiences. I am very enthusiastic about going on exchange and I can't wait to meet you.

Sincerely Elizabeth
